

Airspace Labeling and Coloring Worksheet

B The CFI
@bthecfi

venmo

Instructions... Label each dotted box for the airspace that it is located in, then color in the airspace to match. Label altitudes for each layer of airspace. Also draw an airplane because airplanes are cool :)

60,000' MSL

18,000' MSL

10,000' MSL

1200' AGL

700' AGL
